SOUND & NOISE REGULATIONS: If you have sound in your booths...TV , Video or Music playing within your booths

Polk Beauty Expo shall be the **sole arbiter** of acceptable sound levels and will take necessary action to reduce or remove that, which is objectionable.

Maximum Sound Level 90 dba (includes music, use of microphone, yelling or screaming)

- Sound systems/speakers utilized for stage presentations must be directed inward towards a viewing audience seating area and **not the aisle** or towards your neighbor. (Recommendation: rigged speakers hung at a downward angle)

- Speakers that are rigged must be hung at a downward angle and turned inward to face the stage/platform area. If speakers are found in violation, the exhibitor is responsible for all cost incurred to correct the violation.

The following is the warning procedure:

First notice of sound violation: verbal warning

Second notice of sound violation: written warning

Third notice of sound violation: disconnection of sound systems (30 minutes)

Fourth notice of sound violation: disconnection of sound systems (remainder of the day)
